

About the New York Immigration Coalition

NYIC is an umbrella policy and advocacy organization that represents 200 immigrant and refugee rights groups throughout New York State. Our mission is to unite immigrants, members & allies so all New Yorkers can thrive. We envision a New York State that is stronger because all people are welcome, treated fairly, and given the chance to pursue their dreams.

Community Resources

The New York Immigration Coalition creates resources to empower immigrant New Yorkers. Our resources cover the following topics: Know Your Rights, Policy Guides, Health & Safety, Business & Finance. Below are previews of two of our resources.

NYS Community Toolkit

A resource guide created by NYIC for immigrants and allies, offering updates about policies and information about programs to connect immigrant New Yorkers with resources throughout the state. The toolkit is available in English, Spanish, Arabic, Bengali, Burmese, Chinese (Simplified), French, Karen, Nepali and Somali.

Immigrants & NY

We partnered with Center for Urban Pedagogy (CUP) and designer Luiza Dale to create a fold-out poster in English, Spanish, and French. The illustrated poster guides immigrants in New York State on how to avoid immigration scams, protect their families when interacting with ICE, and create a plan for their family in the event of deportation.
