The infographic is divided into two main sections. The left section, titled 'Jarayeli nitsumɔ trilii', features a central pie chart with three segments. Above the chart is a black silhouette of a person surrounded by six money bags. Below the chart are two smaller human figures, one red and one blue, each with their own money bags. The right section, titled 'Nitsulɔi ni fee ekome', features a central pie chart with three segments. Above the chart is an orange human figure with two money bags. Below the chart are two more orange human figures, each with two money bags. The text in the left section explains that in a three-way partnership, each partner has a share of the profit and loss. The text in the right section explains that in a partnership where one partner has a larger share, that partner has a larger share of the profit and loss.
